

Special General Assembly of  
the  
Community Members on  
December 15, 1974

Today, Sunday at 8pm the  
members of the Community  
assembled after an  
announcement by the  
Community Council to a  
special general assembly to  
discuss and make a decision on  
the purchase of a lot that was  
found, which, in the opinion of  
the Community Council would  
satisfy the needs of our  
Community for future  
expansion and construction of  
the Greek Community  
Centre, which will house a  
Church, School and a recreation  
hall.
